IT'S DIFFERENT WHEN 3H MAKES IT

For Natural Healing Processes

The 3H Acupressure Bed uses bio-ceramic technology that emits far infrared rays (FIR). FIR can penetrate deeply into the body and interact with tissues, cells, and molecules providing therapeutic benefits for:

- Chronic inflammation
- Digestive disorders
- Pain in the back
- Muscle tension
- Skin disorders
- Herniated disk
- Osteoarthritis
- Arthritis

Acupressure

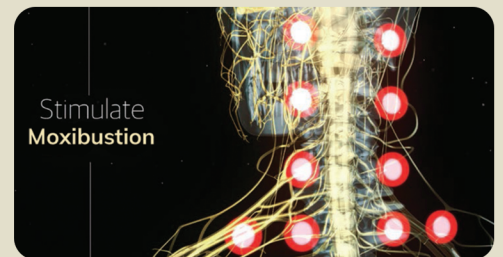

Patented technology

It gently loosens the spinal joints and minimizes the operating sound.

Moxa Effect

The acupressure rods provide thermal and moxa effects. Work safely at 158°F.

Stimulate Moxibustion

Vertical Acupressure

The rods pressurize the erector muscles of the spine vertically to relieve muscle pain.

Achieve a healthier state of your back and waist with the ergonomic design that stimulates the vertebral joints from No.1 to No.18 and 3H's patented technologies.

3H Heating Belt

Heating Belt with bio-ceramics technology that emits far infrared rays (FIR).
